When it comes to FOOD - Think LOCAL!

**Business As Usual**

- Produce grown in California
- Fish raised and caught in NFLD

**A Green Idea**

- ATCO 3rd Lake Generating Station (75%)
- Solar Farm (25%)

- Grow produce & raise fish in the community
- Surplus heat used
- GHG reduced electricity used
- Use locally
- Clean locally
- Process locally

- Uses Fuel
  - To Edmonton
  - To Fort McMurray
  - To Fort Chipewyan
  - To local store

- Uses Less Fuel
  - To local store

**Benefits**

- Improve quality of food
- Create local employment
- Benefit local economy
- Reduce greenhouse gases
