

Now we have a Solar Farm...

what changes for Fort Chipewyan residents?

The short answer is Nothing and Everything.

Nothing Changes - your electricity works as before.

Everything Changes - all the power you use is now cleaner.

Before the Solar Farm

Fort Chipewyan Power Generation
Diesel Only

Power for Fort Chip Homes

Power for Fort Chip Businesses

Power for Fort Chip Industry

On bright, sunny days almost all of the power used by Fort Chip will come from the sun.

What about the price?

Fort Chip residents pay the same price for electricity as all Albertans - NO CHANGE

After the Solar Farm

Fort Chipewyan Power Generation
Diesel + Solar

Cleaner Power for Fort Chip Homes

Cleaner Power for Fort Chip Businesses

Cleaner Power for Fort Chip Industry
