

Employment Opportunity FireSmart Team Members (Various Positions)

Three Nations Energy is proud to be selected by Alberta Forestry to complete FireSmart Community Protection Vegetation Management in Allison Bay. We will conduct tree thinning, pruning, removing dead and downed timber and salvaging merchantable timber for productive use.

We require multiple positions for this project and potential future FireSmart projects:

- **FireSmart Crew Supervisor**
- **FireSmart Crew Chainsaw operator (Faller Level)**
- **FireSmart Crew Chainsaw operator (Bucker Level)**
- **FireSmart Crew Member (Labour)**

Candidates will be required to work in a fast-paced, outdoor environment under changing weather conditions and uneven terrain. Ability to perform on a team is essential for successful candidates. Wildfire experience is an asset, but not essential. Work is physically demanding and repetitive. Candidates should be comfortable lifting up 50 lbs.

General Responsibilities:

- Operating power saw, falling and bucking.
- Preparing woody debris piles for disposal and salvage.
- Removing/pruning trees up to 6 ft from the ground.
- Cleaning the forest floor from dead/fallen timbers to remove surface fuels.

Job Qualifications:

- Candidates must be physically fit.
- Experience operating a chainsaw. Level 2-3 (faller & buckler level).
- Class 5 driver's license would be an asset.
- Knowledge of FireSmart an asset but not required.
- Previous experience with FireSmart an asset.
- Supervisory experience required (for Supervisor position).
- First Aid is considered an asset.
- All candidates must have their own steel-toed boots and work gloves. Eye and ear protection will be provided.

Application Process: Interested applicants are invited to e-mail a covering letter and resume to info@3ne.ca. In the subject line put the position(s) you are interested in. Applications will be accepted until crew is assembled. Work will start in November 2020.
